### President's Corner:

Spring is here again. Between the semi-annual rolling forward of the clocks and the longer hours of daylight, we are now able to enjoy more time in our evenings outdoors. It has been a pleasure seeing people walking and bicycling around our neighborhood that I have not seen in months.

Along with the onset of Spring comes the opportunity to improve the appearances of our yards. Now is a good time to work on our yards by caring for existing plants, planting new ones, and diligently removing the unsightly weeds.

I would like to remind people to please obey the speed limit and stop signs in our neighborhood. We have many people, including young children, who are walking and bicycling on our streets. Let us keep everyone safe.

If anyone has had any home or car break-ins, or any other forms of theft or damage, please remember to report it to the club so that we can keep track of the incidents. This will help us to better know and understand what efforts we may need to consider for protecting our community.

Best wishes,  
Kent Stone

**REMINDER: THE STREET SWEEPER WILL BE IN HCW ON FRIDAY APRIL 16<sup>TH</sup>. PLEASE PARK OFF STREET.**

**The club is still operating on a partially opened status** by reservations only with no guests except for one guest per court for tennis and pickleball play. Please refer to our web site for the important details on the facility use rules.

### On A Pet Note:

Please be courteous and pick up after your dog as you walk the neighborhood. Also note that the Lofty Trail field is a City property and that dogs need to always remain on a leash.

A shout out to all those good neighbors (you know who you are) that have lent a hand to a neighbor in need! We have heard some good stories of people helping others and it just warms your heart! So... **THANK YOU** HIGH COUNTRY WEST GOOD NEIGHBORS!
