President's Message:

Spring has arrived and we are getting ramped up for the Summer activity at the club. We recently purchased a Corn Hole set and have it set up in picnic area C next to the ping pong table and the foosball table. Come and try out our new games!

As we continue to return to normalcy, we are bringing back our annual picnic. It has been scheduled for Saturday June 25 this year, so mark your calendars so that you can attend the event. There is a lot of work necessary to put on this event, so if you would like to volunteer to help, please email manager@highcountrywest.com.

Did you know that you can electronically pay your monthly High Country West dues through our payment portal? When you use your bank's check payment system, your bank mails a check to the club for payment. The staff then has to open up all the envelopes (hundreds each month) and manually process them to properly credit the home owner accounts. By using the payment portal, your payment is electronically transferred to the HOA bank account and your account is credited. This frees up the staff so that they can focus on other important projects. If you have questions, please contact the manager.

Election materials for the HCW Board elections will be sent out soon. Please consider running for a seat on the board. You might even ask a neighbor to run.

Happy Spring,

Kent Stone

Architectural Column:

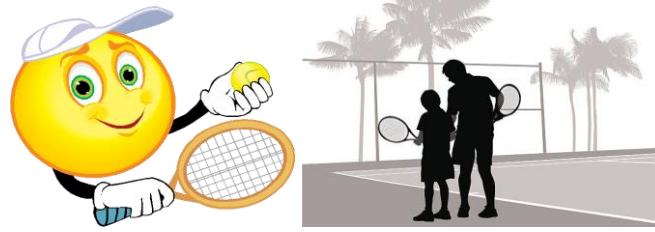

In our 40+ year old neighborhood many properties boast a variety of mature trees and an assortment of other well-developed plantings. High Country West is also built on a series of slopes. When we have wind events, especially Santa Anas, this leads to a buildup of debris along sidewalks, street gutters, and the gutters of some of our hilly roadways. Not only is this generally unattractive, but it can also be slippery for the many walkers, strollers, riders, and runners our community hosts daily. If your trees are contributing to this situation, please try to sweep up regularly. You can take advantage of the bi-weekly yard waste pick up to have the material recycled into mulch.

Street Sweeping this month, third Friday, April 15, 2022. Please avoid parking on the street that day.

Key FOBS are in use for club entry. If you do not have one please stop by the club office for assistance.

Reminder Regarding rules for tennis instruction / lessons

Current rules prohibit members from using the facility to provide paid instruction to non-members. Thank you for your cooperation.
