### President's Corner:

While the cold and dark winter nights are settling upon us, this year's holiday lights and decorations are here to cheer us up at the Club and around the neighborhood. If you have a moment in the coming weeks, be sure to plan a drive through High Country West to see all the ways in which our neighbors put on a beautiful holiday show (and maybe spot a reindeer)! As an early present for all of us, the contractor will begin work redoing the pool deck and resurfacing the pool next week (weather permitting)! Although this project will mean some minor inconvenience for us in the short run, it will make our club a more beautiful and desirable spot as we head into those not-so-distant warmer months. Happy holidays to you and your family! Also best wishes from the full board and the staff.

Regards,

Julie

### CONSTRUCTION WILL BEGIN ON 12-02-19 FOR THE POOL AND DECK AREAS

We have been preparing the pool deck these days before the construction work. When demolition begins the areas listed below will be closed during construction:

All pools, spa, and deck areas  
Playground  
Basketball & pickleball court  
Grassy field

The meeting room will be open for indoor reservations only, tennis and raquetball access is being worked out with the contractor.

**The project is expected to take 2 to 3 months.**

### Tennis courts

Due to the rain we are still working on the tennis court repairs/resurfacing. Please call the club to find out more information/updates and to reserve a court.
