President's Message

Kent Stone, Board President

It's the Holiday Season again. It is always nice to see the houses in the neighborhood get decorated for the holidays and the lights go up. It's also the season to look out for lost reindeer in the neighborhood.

As we approach the Holiday Season we begin to see more news stories regarding increased theft. Because of this, we have increased the number of times our security service patrols our neighborhood. Some things that you can do to help from being a victim of crime include:

- * Hide purchases in your trunk when you're out shopping
- * When you get home remove packages from your vehicle right away
- * Keep your cars locked and leave NO ITEMS visible in your car
- * Check your front doors for packages and empty your mailbox daily

Amongst the projects being done in the neighborhood include recent repairs made to the sidewalk in front of the Club to reduce the hazard of tripping. Also, some tree trimming and clearing will take place this month around the property.

As we approach the end of the year, the Board would like to thank all of our volunteers and staff for their efforts in making this such a great neighborhood to live in.

JOIN OUR MONTHLY BOARD MEETING Wednesday, December 14 at 6:30pm at the club.
The agenda will be posted several days before the meeting on the website and on the bulletin board.
