Club hours are subject to change. Club Manager: Wayne Blum, manager@highcountrywest.com

President's Message

Kent Stone, Board President

High Country West continues to be a charmed community. With all of the recent rains that California has experienced our neighborhood is looking very lush. Except for a few of our roads, we appear to have survived with minimal damage so far. Hopefully this winter's rain will get us out of our drought.

It was nice to see all of the festive holiday lights up in the neighborhood during December. As a reminder, if you haven't already done so, it is time to take down the decorations.

We are fortunate that our Club House has nice amenities for us to use, some of which need reservations. If you are not going to be able to use a reservation that you have made, please remember to cancel it so that others may be able to use the facility.

JOIN OUR MONTHLY BOARD MEETING Wednesday, February 15 at 6:30pm at the club. The agenda will be posted several days before the meeting on the website and on the bulletin board at the club.

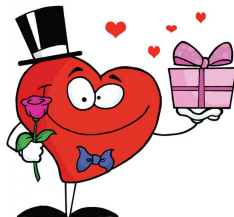

Reminder for Dog Owners
Please be courteous and pick up after your dog

Street Sweeping Friday February 17

Please try to park off street

Turtleback Elementary's Recycling Program

Thank you HCW Community for supporting Turtleback Elementary's Recycling Program! You have given our ecological efforts the boost we needed. You can bring your plastic bottles, white milk jugs, and aluminum cans to our three campus recycling bins, located under our "Green Team" banner. This program is a meaningful service opportunity for our students, and all proceeds fund their educational enrichment. We are truly grateful for contributions!

From TheTurtleback Elementary Green Team!

Thank you West Coast Roofing and Construction for supporting the Lost Reindeer and Holiday Light contests; both are wonderful High Country West traditions!

Architectural Committee: February Outdoor to Do List:

1. Take down all holiday lights and decorations.
2. Remove weeds throughout landscaping.
3. Trim landscaping back from sidewalks.
4. Clear weeds in and around artificial turf.
5. Except for pick-up day, ensure your trash cans are always stored out of view.
6. Treat the lawn with weed killer (like Weed and Feed).
7. Check and repair yard drainage to prevent flooding.
8. Remove debris from drainage pipes at the gutter.
9. Clear debris, weeds, and moss from sidewalk and gutter cracks.
10. Wash away mold from exterior stucco.
