### President's Corner

We are already one month in to 2019, how is the New Year going for you? I may or may not already have a resolution that is going to have a February starting date! I'm loving the rain, what we have had and what is predicted. There are so many front yards looking green, including mine. I just have to remember to keep those weeds under control. How about you?

We continue to do upkeep on all our HOA property and facilities. The heater and air conditioning in the meeting room was replaced this past month. We continue to keep up with sprinklers in all our open areas, and recently did some major tree trimming and removal of old trees before they become a hazard. There is always work to be done, we will be highlighting what is accomplished each month so you are aware of how our dues are working for us.

It's been awhile since I gave a very obvious plea for input and volunteers from our community so it must be time to do it again. As we are looking forward to budgeting for the 2019/2020 year there are many things that need our attention. Landscaping to be redone, Club facilities updated, possibly implementing solar, and the list goes on. The Board really needs to hear input from all of you to know the priorities for High Country West.

Happy Valentine's Day to all. That wonderful holiday that brightens a winter month and gives us a chance to express love and kindness to not only special people in our lives but others as well. Help Cupid get around this year and do something thoughtful for a neighbor or friend.

### Senior / Adult meet and greet.

We had about 10 residents attend the January meeting with varied interest on activities. This group is in its planning stages now and you are invited to attend. The next meeting is at the Club meeting room on **Friday February 1<sup>st</sup> from 1-3 PM**. This is a wonderful group of residents that are ready to get something fun going in HCW for adults. Please join us.
