## BE MY VALENTINE HCW

### PRESIDENTS CORNER

As we enter February, it is finally beginning to feel like winter. Gone are the 80-degree days of January. On a brighter note, it is staying light later into the evening. We have also been able to enjoy a few rainy days to help make our landscape and yards look a healthy and green.

It has been nice to see so many neighbors still getting out and walking around our neighborhood, as well as an increased number of bicyclists. In light of all the extra pedestrian and bicycle traffic, it is important that we abide by the speed limit and obey traffic signs while driving through the neighborhood.

With the increased amount of online shopping, we have been seeing an increase in deliveries in the neighborhood. Please remember to pick up your packages before they are stolen by "porch pirates". For safety, you might also consider replacing your mailboxes with a locking mailbox. If you should decide to do so, make sure that it complies with our HOA Architectural Guidelines as well as USPS regulations. If you have any questions, please reach out to the Architectural Committee.

It was nice to see all the festive holiday lights up in the neighborhood yards during December. As a reminder, if you have not already done so, it is time to take down the decorations.

Best wishes,

Kent Stone

### HCW Board of Directors:

President: Kent Stone  
Vice President: Mark Mooradian  
Treasurer: Shannon Erdell  
Secretary: Libby Bergmann  
Director: Daniel Herrera  
Board Email: [directors@highcountrywest.com](mailto:directors@highcountrywest.com)  
Next Board Meeting date(s):  
**FEBRUARY 10** (Wednesdays) @ 6:30 PM online only. A detailed agenda will be posted at the club and on our web site before the meeting.

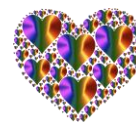

### Join Our Online February 10, 2021 BOARD MEETING

(Using Zoom Meetings Software)

The HCW Board of Directors will host the on-line/virtual meetings through Zoom. The date is **February 10 for the regular meeting** and it will start at 6:30 PM. See the agenda for items to be addressed at the meeting.

You have 2 ways to access the meeting:

1. Go to the [highcountrywest.com](http://highcountrywest.com) website and go to Property Owner Resources and in the drop down click on "Board Meeting Agenda". The meeting agenda will have the link on it. The agenda will be updated by Monday prior to the meeting.
2. Also, on the agenda, a telephone number is listed below the link if you just want to call and listen in.

### STREET SWEEPING THIS MONTH

On the third Friday February 19th. Move cars off the street so the sweeper can pass through. Thank you.

The reindeer contest is always a hit in HCW for both kids and adults. We hope you had a great time searching for these creative deer. Thank you to Steve Kelchlin of West Coast Roofing for sponsoring this event each year. We look forward to this favorite event returning in 2021.

A reminder to all who are using the club facility during this time while COVID is still spreading within our communities. We ask that as owners you enforce and follow the safety measures in place when at the club. Masks wearing, keeping 6 feet from others, washing hands, & following the traffic flow in and out of the facility are all steps that need to be adhered too. Tennis and pickleball are one guest only per court. See the website for specific rules for each amenity. Our goal is to be open for members use with safety as the priority for all on site.

**PHONE APP AVAILABLE:** The "SD Emergency" app is online and also now available to download for your cell phone (this is NOT the same as the ALERT San Diego). The "SD Emergency" option from the website explains what this app can do. Some items the app covers are disaster planning, emergency preparedness, the posting of alerts happening such as red flag warnings, disaster info, maps, & recovery guidance.

**ARE YOU NEW TO THE SAN DIEGO AREA?  
HAVE YOU MOVED HERE FROM ANOTHER PART OF SAN DIEGO?**

San Diego County has an emergency system that will call your land line, cell phone, or send an email to you should there be an emergency (like fires) in your area. **You must register your phones or email addresses for this service.** Go to [www.readysandiego.org](http://www.readysandiego.org) and click on the Alert San Diego option, follow the prompts. If you have moved here from another part of San Diego, you may want to re-register your phones to make sure they are listed in your new address location.
