President's Message

Kent Stone, Board President

It's hard to believe that 2022 is in the rear view mirror. I think that this last year was one of the best for holiday light displays that we have had in our neighborhood. A big thank you to Steve Kelchlin for organizing the Holiday light judging, as well as once again organizing the Hidden Reindeer contest again. It appeared that a lot of us were out taking in all of the lights and displays.

As we enter the new year, the Board will be continuing to work on ways to improve our neighborhood. Our annual budget will also be reviewed, and we will continue to try to find ways to keep our expenses down. The solar panels should be installed at the Club House this month which should help in bringing down our energy costs.

Happy New Year!

JOIN OUR MONTHLY BOARD MEETING Wednesday, January 11 at 6:30pm at the club. The agenda will be posted several days before the meeting on the website and on the bulletin board at the club.

Reminder for Dog Owners
Please be courteous and pick up after your dog

Club Closing at 5pm December 31 - New Years Eve

Club Closed all Day January 1, 2023 - NEW YEARS DAY

Architectural Committee:

Are you looking for a way to volunteer close to home? Do you want to make a difference in your own community? Please consider volunteering for the High Country West Architectural Committee. All members are local homeowners. Make some new friends while you support neighbors' efforts to update their properties. The committee meets the first and third Wednesdays of each month at the HCW Clubhouse at 6 pm. Other commitments include once monthly visual community surveys and occasional electronic reviews. The team uses a software application to manage property improvement submissions and track lots that may need attention to a shortcoming. Please email archhcw@gmail.com to volunteer or to request more information.
