The restrooms close 15 minutes prior to club close. Court lights turn off at closing time.

Club hours are subject to change. Club Manager: Wayne Blum, manager@highcountrywest.com

President's Message

Kimberly Plumb, Board President

Happy July, everyone! Summer is officially in full swing, and I hope you're all finding time to enjoy the sunshine and everything our community has to offer. This is one of my favorite times of year because it's always great to see neighbors out walking, kids playing, and families making the most of our shared amenities.

Our community pool is a favorite gathering spot during these warm months. Whether you're taking an early morning swim, cooling off in the afternoon, or relaxing poolside, I hope you'll enjoy it often. A friendly reminder to help keep the pool safe and enjoyable for everyone by following the posted rules, supervising children, and leaving the area clean for the next guests.

A big thank you to everyone who joined us for the annual HCW Picnic and to all the amazing staff and volunteers who helped make it happen! It was wonderful to see so many familiar faces enjoying good food, great conversations, and time together. Events like these are a great reminder of what makes HCW such a special community.

Looking ahead, don't forget about our HCW Campout later this month! It's always a fun evening for families and neighbors to spend time together under the stars. If you'd like to participate, please contact the office for details and to reserve your spot.

On behalf of the Board, I wish you and your family a safe, happy, and fun-filled July. Enjoy the rest of your summer, and I look forward to seeing many of you around the neighborhood!

The 2026 HCW Annual Picnic was a great afternoon for the families in the community.
Thank you to everyone who helped with the fun.

July fun facts: The birthstone for July is the ruby, which symbolizes passion, love, and contentment. The birth flower for July is the larkspur, which represents strong bonds of love and an open heart. July is named after Julius Caesar, the Roman statesman and general, who was born in the month.

The United States celebrates its Independence Day on July 4th; a US holiday in commemoration of July 4, 1776, the day on which the original 13 colonies of the United States declared independence from British rule. Americans eat around 150 million hot dogs on Independence Day, which costs them around \$104.7 million for the dogs and \$70.4 million for the buns. The tradition of setting off fireworks on the 4th of July was originally suggested by John Adams, who envisioned the celebration of Independence with great fanfare, including fireworks. Adams expressed his hopes for the annual celebration in a letter to his wife Abigail on July 3, 1776, anticipating future celebrations across the nation. This vision materialized for the first time on July 4, 1777, in Philadelphia, where the day was marked with a grand display of fireworks, setting a precedent that endures to this day.

Architectural Committee:

Are you considering upgrades or improvements to your property? The Architectural Committee is here to help. The Architectural Committee is composed of High Country West (HCW) resident volunteers. Each member donates their time to review and approve your architectural improvement and landscaping requests. The purpose of the Committee is to support homeowners in improving and maintaining their properties in line with the approved guidelines. The goal of the committee is to work with homeowners to improve their property to suit their vision, within the guidelines.

Applications for exterior improvements and the Architectural Guidelines can be found on the community website, www.highcountrywest.com. Completed applications can be submitted via email, archhcw@gmail.com, through the Appfolio portal, or in person at the club office.
