President's Message

Kent Stone, Board President

We are leaving February and entering March with some much needed rains in our state. The snowpack is growing, and our lake and water reservoir water levels are also rising. Hopefully this will give us some much needed relief from the recent years of drought.

The rains have also been the cause of increased damage to our streets. A major problem on Turtleback Lane has already been repaired, however there are still many other potholes and road hazards in the neighborhood.

To report a problem, go to the city's Get It Done website, at www.sandiego.gov/get-it-done.

The HCW Board is beginning the planning for our next fiscal year. This includes working on our budget. This difficult task is a balancing act of trying to keep our monthly dues low while facing increased operating costs from inflation and making sure that funding for all necessary maintenance projects is available.

Daylight savings begins on March 12 this year. Don't forget to reset your clocks.

JOIN OUR MONTHLY BOARD MEETING Wednesday, March 15 at 6:30pm at the club.

The agenda will be posted several days before the meeting on the website and on the bulletin board at the club.

Reminder for Dog Owners
Please be courteous and pick up after your dog

Turtleback Elementary's Recycling Program

Thank you HCW

Community for supporting Turtleback Elementary's Recycling Program! You have given our ecological efforts the boost we needed. You can bring your plastic bottles, white milk jugs, and aluminum cans to our three campus recycling bins, located under our "Green Team" banner. This program is a meaningful service opportunity for our students, and all proceeds fund their educational enrichment. We are truly grateful for contributions!
