President's Message Kimberly Plumb, Board President

As we head into May, spring is in full bloom bringing longer days, warmer weather, and a renewed sense of community. It's also a great time to celebrate Mother's Day. I wish all the mothers and mother figures in our neighborhood a wonderful and well-deserved celebration. Additionally, for many families, this is also the last full month of the school year, a busy and exciting time filled with milestones, activities, and anticipation for summer!

Over the past few months, your HCW Board and Management team have been working on preparing the Association's budget for the upcoming fiscal year. This is an important process that ensures we continue to maintain and improve our community while planning responsibly for the future. Keep an eye out for the budget mailer in the next few weeks with more details. The good news: dues will not be increasing this year!

Thanks for helping make High Country West a wonderful place to live.
Wishing you a wonderful May!

May fun facts: *May is the third and last month of the season of spring. The birthstone of May is the emerald, which symbolizes success and love. May in the Northern Hemisphere is similar to November in the Southern Hemisphere. May is named after the Greek goddess Maia and possibly the goddess of fertility. May Day is a public holiday celebrated on May 1st or the first Monday in May (in the United Kingdom). It is an ancient festival marking the first day of Summer (the current day is in Spring) with dancing, singing, and cake! The month was named after the Greek Goddess of Fertility, Maia. No month other than May ever begins or ends on the same day of the week, in the same year. It may match with the months of the following year. This year Mothers Day is May 10.*

Architectural Committee:

We hope this message finds you well. As we strive to maintain the beauty and harmony of our lovely neighborhood, the Architectural Committee wanted to share a friendly reminder about our [driveway parking guidelines](#).

To ensure that our community looks its best, we kindly ask that you adhere to parking on the designated driveway area only. Please avoid parking on the step-out portion of the driveway, as it can disrupt the aesthetic appeal and overall appearance of our surroundings. Also, please note that no commercial truck, camper, trailer, boat of any kind or other single or multi-purpose engine-powered vehicle other than a standard automobile or an approved golf cart, shall be parked on any Lot except temporarily and solely for the purpose of loading or unloading.

By following these simple guidelines, we can all contribute to a nicer-looking neighborhood that we can be proud of. Thank you for your cooperation and understanding in keeping our community beautiful and orderly.
