President's Corner:

If you didn't have a chance to join us for our event at the Club where we thanked Mike Lutz for his many years of service as Manager, it's not too late. Mike will be around for a while helping our new Manager, Wayne Blum, transition into the role. Also, when you have a chance come on down to the Club and meet Wayne. You have probably seen him around the neighborhood over the past few years.

As we continue into the new year, the Board continues to deal with several issues that effect our community. We welcome you to come to our monthly meetings, held the second Wednesday of each month. At these meetings you can hear about the various issues being discussed first hand. We would welcome having your input. You might also consider being a candidate for the board in the upcoming elections.

I hope you all have a wonderful Valentine's Day, as well as enjoying the President's Day holiday.

Sincerely,

Kent Stone
President

Architectural Column:

In our 40+ year old neighborhood many properties boast a variety of mature trees and an assortment of other well-developed plantings. High Country West is also built on a series of slopes. When we have wind events, especially Santa Anas, this leads to a buildup of debris along sidewalks, street gutters, and the gutters of some of our hilly roadways. Not only is this generally unattractive, but it can also be slippery for the many walkers, strollers, riders, and runners our community hosts daily. If your trees are contributing to this situation, please try to sweep up regularly. You can take advantage of the bi-weekly yard waste pick up to have the material recycled into mulch.

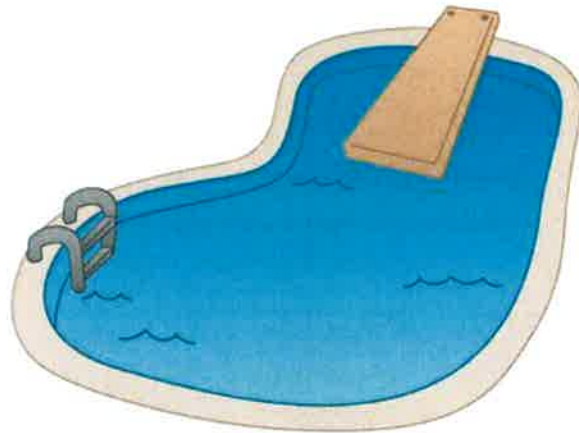

The Winter hours for the facility are as follows:

January/February 8am – 9pm
March/April 8am – 9:30pm

February 2022	Sunrise	Sunset
February 1	6:43am	5:20pm
February 28	6:17am	5:44pm

The swimming pool is looking great and is heated year-around to 81 degrees. Please come down to the club and enjoy, no reservations required!

STREET SWEEPING THIS MONTH
On the third Friday February 18. Please move cars off the street so the weeper can pass through. Thank you.
