Web Site: www.highcountrywest.com

Address: 16003 Turtleback Rd, 92127

President's Corner:

Happy October! I hope you and your family are enjoying the fall season. I'm happy to report the HCW board has signed an agreement with a security patrol service; we will now have regular nightly patrols conducted by uniformed guards throughout our neighborhood. I'm sure we'll all sleep a little better knowing we have security officers looking out for us every night!

In other news, we have selected a contractor to begin resurfacing the pool and replacing the surrounding concrete deck. This will be a major project for us in the coming months and we are planning to coordinate these activities with the installation of a new Area C patio cover.

Want to learn more about these and other projects? Be sure to attend the next monthly HCW Board meeting.

Best wishes,

Julie Cole

Rancho Bernardo Neighborhood Watch is seeking block captains. HCW still has a few block captains in place and would like to once again have all streets involved. RBNW is building the program back up to be a strong presence in RB with the goal of putting captains in place for all streets. HCW in the past had a very strong block watch program. If you are interested in becoming a block captain, please stop by the club and pick up your volunteer form or check out ranchobernardonw.org.

What's New

Our 2 racquetball courts have been resurfaced and ready for play.

Also pickleball is now available on the basketball court. Just call the office to reserve the court and borrow the net (for daytime use only).

Architectural Corner

Fall is a fantastic time to plant AND a great time to replace dead, diseased plants or to re-seed grass. The local garden centers are full of new plantings. The roots to these new plants will grow during the fall and they begin establishing themselves --> come spring these plants are ready to thrive and you will see them growing! Walk through the garden centers for ideas. Most plants are marked with the size they will be, if they need sun, shade or mixed, and the watering needs. Ask your landscaper(s) or store for advise on feeding (fertilizing) the plants and grass in the yard to help maintain the health of the plants you have. Fertilizing is generally done on a schedule and can have a HUGE IMPACT on the health of your trees and shrubs. As always, file an exterior improvement form for any changes ahead of time.

The Architectural Committee meets twice per month (1ST & 3rd Wednesdays) to help expedite your request,

Fall Back – Plan ahead Saturday night November 2nd for Daylight Savings Time. Roll your clock back one hour.

The election season is coming. With that is an increase in the signage posted on all the corners. A reminder that there is a limit to one political sign per home in HCW. A sign may go up 30 days prior to the election and all signs must be removed within 24 hours after the election. Refer to the callout in the Guidelines for further details. Thanks in advance for helping follow the callouts on the signage.

The Club closing time for Halloween
Thursday
(Oct 31st) is
6 PM.

HOW DO I CHANGE MY ACCOUNT TO THE NEW \$100 AMOUNT THAT BEGAN ON JULY 1ST?

If you are using **auto pay through your bank** (they send us a check) you will need to go on line and adjust this yourself through your account.

If you are paying by **ACH through the portal** (set up from your email through HCW), this is our cost savings method, you will need to go to the portal and make the adjustment there. If you forgot how to access this, go to highcountry.appfolio.com/connect (no www.) The system should prompt you to enter your email & password to gain access to your account to make the needed change. Call the office and ask for Mike or Shari if you need help.
