President's Message:

The kids have begun school again. This must mean that summer is almost over. It was nice having the summer activities at the club again. Both the summer picnic and the family camp out were well attended and well received. The root beer float days and karaoke by the pool were also hits. We will be ending the summer with popsicles by the pool on Labor Day, so come on down and cool off with your neighbors.

As we wind down and head towards fall, the club will be ending lifeguarding service for the year. Lifeguarding will be provided Labor Day weekend and September 10 and 11.

We have received some reports of vandalism in the neighborhood. Please be vigilant in securing your home and cars. Also, here are a few crime prevention tips from Neighborhood Watch:

Keep all doors and windows locked

Use outside lights

Keep your garage door closed

Notify the Retired Senior Volunteer Patrol (RSVP) when you go on vacation

Call 9-1-1 if you see something suspicious

Even better, take some time and get to know your neighbors better, and understand the daily routines in your neighborhood.

Take care,

Kent Stone

ARCHITECTURAL COMMITTEE REMINDERS - DROUGHT AND WEEDS

Your HCW Architectural Committee is aware of the ongoing drought situation in Southern California. Somehow the weeds manage to keep growing though. Maybe it is time to consider xeriscape or increasing low water using plants in your yard? If that is not an option for you right now, please ensure your yard is free from weeds and debris. This includes grass areas, planted sections of your landscaping and throughout the mulch, in and around artificial turf, and throughout all the hardscapes. Hardscape includes driveways, walkways, pavers, DG, and rock sections of your landscaping.
