Is the kiddy pool heated? Call in about an hour before you arrive and we would be happy to turn the heat on and open it for use. In the winter from about November through mid-April this pool is only open "as needed" due to the low use it sees.

NOTE APRIL 1st
on Easter Sunday, the Club has shortened hours. We are open 12-6 this day.

Change the CLOCKS on March 11th

for  day light savings time! Roll the clock forward one hour.
